The only bed & breakfast near Lafayette and possibly all of Louisiana that offers Crawfish Excursions. Experience firsthand how these amazing crustaceans come to appear on our tables. A guide will assist you in a unique boat ride through crawfish ponds allowing you to catch your own crawfish the way it's done commercially. Later, you can end the evening with a crawfish boil in true Cajun style. Or, if you prefer, you can catch crawfish the old-fashioned way, using hand nets.
